Mihan Aromatics - Mikado Bark

https://find-a-fragrance.com//api/perfume?perfume_id=12055

Family: Woody Fresh

Concentration: Parfum/extrait

Top notes: green peppercorn, rosemary, basil

Heart notes: cinnamon, oudh, earth

Base notes: autumn dew, sandalwood, cedarwood

Mihan Aromatics says:

A mountainous arrangement of paper and unfamiliar books exude distinction and literary prowess. This, paired with gestural hand movements, autumnal hues of corduroy, stubble and amber coloured drapes leads to an infectious upholding presence. A musk assembled of dense cedar, thoughtful parting words and a reminiscence of dry oil paint.
