## Mihan Aromatics - Sienna Brume

[https://find-a-fragrance.com//api/perfume?perfume\\_id=12056](https://find-a-fragrance.com//api/perfume?perfume_id=12056)

**Family:** Fresh Aromatic

**Concentration:** Parfum/extrait

**Top notes:** white pepper, cucumber, sea air, juniper berry

**Heart notes:** coconut, green palm

**Base notes:** cedarwood, timbersilk, greenwood

### Mihan Aromatics says:

Forever floating in a state of angelical, athletic leisure. Never noticeably influenced by others; In fact, quite indifferent to their café chatter. Born of soft coconut cotton and enlivened by deep inhalations of the sea air. Magazine paper and fresh cucumber; unflinching notes of cool condensation and listless poolside day dreaming. Romantically alone.

### Perfumers / Noses

Julia Brown & Joshua Mihan
