https://find-a-fragrance.com//api/perfume?perfume_id=12105

aromatic
woody
mint
alluring
oudh wood

Family: Woody

Concentration: Eau de parfum

Top notes: mint

Heart notes:

Base notes: oudh

Cartier says:

Paying tribute to one of its in-house perfumers, Mathilde Laurent, Cartier's Les Heures Voyageuses collection brings together emotive notes for the senses. A newer creation which celebrates the allure and rarity of the woody ingredient, the Oud & Menthe eau de parfum is invigorated with mint, combining and contrasting two emblematic scents from the Middle East.
