aromatic  
woody  
mint  
alluring  
oudh wood

**Family:** Woody Aromatic

**Concentration:** Eau de parfum

**Top notes:** mint

**Heart notes:**

**Base notes:** oudh

**Cartier says:**

Paying tribute to one of its in-house perfumers, Mathilde Laurent, Cartier's Les Heures Voyageuses collection brings together emotive notes for the senses. A newer creation which celebrates the allure and rarity of the woody ingredient, the Oud & Menthe eau de parfum is invigorated with mint, combining and contrasting two emblematic scents from the Middle East.
