Base notes: nagarmotha, vetiver, leather

Atelier Des Ors says:

Atelier Des Ors Cuir Sacré is a sophisticated leather perfume warmed by an illuminating touch of saffron and the power of vetiver. This powerful fragrance was designed as an Andalusian dream, imagined while strolling the Old Town of Cordoba. The leathery and wood notes combined with saffron and vetiver revive the Cordoban leather heritage often referred to as Gold Leather. The beautiful materials bring a strong and elegant character to Cuir Sacré.
