Heart notes: ylang ylang, mango, frankincense

Base notes: frankincense, myrrh, vanilla

and fragrance says:

Frankincense. Bet you're thinking dark, churchy dusty incense and smells of a dodgy pipe smoking priest's frayed robes. Fact is, frankincense can be fresh and fruity. Seriously. What we do with this arcane and noble fragrance is close to a miracle. A true celebration of fun, fresh and fruit. You 'eard. And not any creepy old clergy or a spooky gothic church in sight. Thank god.
