Concentration: Eau de parfum

Top notes: bergamot, spearmint, watery accord

Heart notes: geranium, lavender

Base notes: sandalwood, musk, incense

Parfums de Marly says:

A subtle mixture of classic and modern. The lightness of citrus sets off the power of mint. Hivernal® Neo reinvents the feeling of water. Sedley encapsulates in its olfactory DNA, the balance between opposites right, where noble materials and futurist molecules collide.
