Concentration: Eau de parfum

Top notes: bergamot, grapefruit, ambroxan

Heart notes: black pepper, papyrus wood, incense

Base notes: musk, tonka bean, saffron

Versace says:

A strong, masculine fragrance, Dylan Blue encapsulates the sensual scents of the Mediterranean. The fragrance bold Ambroxan notes, refreshed with hints of bergamot and grapefruit. The earthy and citrusy olfactory notes are enveloped with black pepper, papyrus wood and incense, along with mineral musk, tonka beans and saffron. The bold perfume is stored in a blue, geometric bottle enriched with gold tone accents, evoking the Mediterranean Sea and sand.
