Family: Oriental Spicy

Concentration: Eau de parfum

Top notes: bergamot, galbanum, basil

Heart notes: clary sage, rosemary, jasmine

Base notes: amber, vanilla, vetiver, oudh

Ruth Mastenbroek says:

A story of discovery that unfolds in Oxford; opportunities hidden in the shadows of spires, revealed by this perfume's radiant jasmine and cashmere notes. At its heart, Oxford's bold oudh and amber layers clash with its softer vanilla and vetiver notes. A daring oriental composition not for the faint-hearted.
